

# The Metrocity Beamer Template

Marcus Pinnecke

Metrocity Theme Headquarter, September 4, 2019

The **Metrocity Beamer Template** is the unofficial theme for the Database and Software Engineering Group of the University of Magdeburg.

A matrix  $A$  is called normal, if  $AA^* = A^*A$ .

## Part II

Theorem (Hello)

*Hello, World!*

Proof.

Proved by contradiction.

# Lists

1. Hello
2. There
  - Hello
  - There
    - Subitem
